REFRIGERATED DELI DISPLAY CASES

Curved Countertop

Curved Drop-In

Cubed Countertop

Cubed Self-Serve

DESCRIPTION

Vollrath® Refrigerated Deli Display Cases keep chilled prepared foods, such as deli and other TCS (Time/Temperature Control for Safety) products, cold for continuous display. Cases have operator-side sliding doors for easy access when selling, refilling, changing displays, and cleaning. Self-serve units also have front sliding doors for convenient customer access.

AGENCY LISTINGS

WARRANTY

All models shown come with a Vollrath® standard warranty against defects in materials and workmanship, with 5-year parts warranty on compressor and 1-year warranty on labor. For full warranty details, please refer to VollrathFoodservice.com.

CLEARANCE

- Countertop cases allow for zero side clearance.
- Follow all regulations, warnings, and cautionary guidance specific to products that utilize R290 refrigerant.
- Operator side and top to ceiling must remain clear of obstructions for proper operation and service.
- Sufficient air circulation is required for operation. Do not cover vents on bottom shelf or allow product to overhang shelves.

Due to continued product improvement, please consult VollrathFoodservice.com for current product specifications.

FEATURES & BENEFITS

- Unit is UL Classified for TCS foods.
- Inside top and shelf LED lighting highlights displayed foods.
- Fans circulate air to ensure even temperatures.
- Digitally controlled thermostat provides precise settings.
- Auto-defrost improves temperature consistency and enables 24/7 display.
- Manual defrost performs a full defrost cycle.
- Units utilize R290 refrigerant, which has a lower GWP (Global Warming Potential) than many previously-used refrigerants.
- Argon-filled and sealed, double-pane, low-emissivity coated glass provides strength and energy efficiency.
- Glass heater keeps customer viewing area clear.
- Three-position adjustable, floating shelves (1 in curved & 2 in cubed) offer a sleek aesthetic and flexible display options.
- Lift-and-remove sliding doors allow for simple display adjustments and easy cleaning.
- 32°F-46°F (zero to 8°C) temperature range adds versatility.
- Ambient mode allows for lights to be on and the product illuminated without cooling.
- Drop-Ins can be used as countertop units.
- 4-inch adjustable legs can be purchased separately.
- 6-foot (1.8 m) cord increases placement options.
